

LCAD Community:

Last night, as many of you may have already heard through the news, social media or from friends and family, California's Governor announced a "Stay at Home Order."

Here's a link to a news story about it:

<https://www.nbcnews.com/news/us-news/california-issues-statewide-stay-home-order-coronavirus-fight-n1164471>

And here's a link to The CA state COVID-19 info site for the formal Executive Order and supporting information:

<https://covid19.ca.gov/stay-home-except-for-essential-needs/>

We know that this affects all of us in different ways, and we wanted to offer links to the information so that you can stay up to date. We also have supporting information on our public- and student-facing websites with links to governmental sites with up-to-date Local, County, State, National and International Coronavirus information.

On behalf of everyone here at LCAD, I encourage you to follow these new mandates, and do everything you can to stay safe, stay healthy and stay connected to the latest news and updates on a regular basis.

Sincerely,

Helene Garrison

HELENE GARRISON, PHD
