- Aidan
- Ana
- Heidi
- Harini
- Alejandro
- Vincent
- Darla
- Tyler
- Eric
- Maria
- Molly
- Will
- Amber
- Ale
- Moth

Pre Townhall Updates

Food

- Student life is workin on developing a meal plan for students (hot meals and instant food)
- They are also trying to encourage student to attend their events since they are offering free food and not many have been taking advantage of this

Student Discounts

- The school is trying to connect more with the city and its businesses, so they are encouraging us to show our IDs to them and see if they got deals for us

Connect students with the Industry

The school is making more connections with the city and organizations that are interested in us:

- UCI School of medicine is partnering again with the graphic design department to give students an opportunity to work with them
- John Wayne airport is also partnering again with Graphic design to design spaces in the airport
- The Laguna city counselors said that Laguna beach should be a college town and want to create opportunities for students
- There was a film summit that students were offered discounts to go to
- Rivian wanted to make a space for the school to host some events
- There is doing to be a gallery to display the schools permanent collection of work on December 7th

Student Support

Food

- They want to make sure every school event has food
- Viv is helping students schedule the times for them to pick up their groceries from the food pantry for free
- QR codes added when promoting events to make it easier for students to sign up and see what's offered
- It was brought up that if you need help with food, there is government assistance with that that people can apply for monthly help
- Making the espresso bar available more often for students with the student appreciation days

Accommodations

- Dave wanted to remind students that if they have any mental health concerns they always have access to the LCAD Cares service for free counseling
- Visit counselor@lcad.edu

Housing & Transport

- We have a bigger shuttle, and might get a shuttle tracker in the future
- Any concerns regarding housing, student affairs are there to help with that

Crosswalk & Security

- Crosswalk sadly can't be moved
- If someone runs the light, and its a car from a company, we can report this to school to notify the company
- If anything happens after, 10, call the security phone number and notify them 949-714-8034

Financial

Tuition

- The Board of Trustees are not planning on lowering the tuition so they they can keep improving the efficiency of how the school is run\

Scholarships

- The school sends a monthly email with available scholarships for us to apply
- Every year, the competitive scholarship is offered for students as well
- Regarding more financial question we can contact rwest@lcad.edu

Work

- The school offers federal work study in campus for students
- Due to the campus being close, no work at the school is offered to students during breaks

Academics

Tutoring

- Kerri Redeker is the person in charge of setting the tutors for different software
- If we have any suggestions for tutoring that we want to see we can email kredeker@lcad.edu
